

75-Cent Dues Increase

Effective July 1, 2015

Notice of California State PTA Dues Increase

After many years of rising costs absorbed by California State PTA, delegates to the 2014 California State PTA Convention approved a 75-cent dues increase. It has been 17 years since state dues have been raised. This increase is effective July 1, 2015.

These are the NEW DUES REMITTANCE AMOUNTS (aka "Per Capita") that your PTA unit will remit to their respective PTA council or to 16th District PTA *per member.*

These are not the amount of membership dues that each school/PTA unit charges for individual members – those are different at each school/PTA unit:
